Hi Leanna,

My apologies for the delay. I discussed this with Jason and, due to the fact that the application remains incomplete and the extension would no longer pose a risk of exceeding our permitting timeframes, we have no concerns with the additional 2-week extension. Thank you,

Mike Pectol

Mike,

I wanted to reach out to see if you had an update on our request. Water Quality staff are working diligently through our comments and working towards finalizing our determination. The final total of comments received was **804**. Please let us know as soon as possible when you have an update, so we can plan appropriately.

Thank you for your consideration.

Best,

Leanna
